

URBANA LITTLE CLIMBERS CHEERLEADING PARENT MEETING MARCH 10 2018

Thank you for attending our meeting. Here is some information you need to know.

Attached is the score sheet we will be using at tryouts on March 31st. This is for your reference as your child practices up until tryouts. Also we have attached some basic cheer motions for your child to practice.

DAY OF- The morning of tryouts: Please drop off your child at LongRoad Crossfit. (If you HAVE NOT filled out a application form AND waiver you will need to come inside the building and do so. Your child CAN NOT be left without us having one on file.) Tryouts will be closed to adults. There just won't be enough room for us to practice, do the tryouts and we want the girls to feel comfortable.

We will do a clinic with the girls for a hour (10:30-11:30). After that we will have them tryout 4 at a time. When they are finished we will have them call you at the number you have provided on the application to come pick your child up.

After our judges score their sheet we will get together as a group that week to discuss scores and call and let the girls that have made the squad their position and congratulations.

This is the first year that we are offering it to 2nd graders and also allowing tumbling. Tumbling is not mandatory but is beneficial this year.

We will do a fundraiser to help pay for uniforms, which will cost \$250+ (awaiting totals). Practice wear and Track Suit is still undecided.

We will be attending a competition this year. We will do a fundraiser to help pay for competition cost.

There will be a \$20 sign up fee to Urbana Youth Sports once you make the squad.

Thank you for allowing your child to tryout for Urbana Youth Sports Cheerleading for the 2018-2019 season.
